WORKING AND F.T.COMMITTEE

Rajkumar Girraj Singh
Mr Mohinder Singh Bedi
Lt; Col; W. Ajaib Singh

The committee has the option to coopt two more memebers.

It is very nice to hear that you are thinking of holding a F.T. Meeting at Delhi about the first week of Febr uary1952. As for the entries I hope to put in two dogs, Mr Lajinder Singhsays he has ~~xxxxxx~~ 4 dogs and if Mahant Girdhari Das brings a few , I thnk you can count on 10 entries from this part. I am sure there will be at least one entry from S. Bhagwan Singh and some from Gen; Shiv Dev Sing I personally ~~thxx~~ think we must keep the F.Ts going and that is the best impetus for people to get more dogs.

Now as the G.LIis functioning again, we must also hold the championship stake of the League as in the past. It has always been the practice that this Single championship stake was held ~~xx~~ by the League in conjunction with the last meeting of the season. Previously it was held alternately at Jind and Patiala . Later we had it also with P.G.C. Now as there is only one meeting of the U.P.G.C. and there would not be more than about three qualified dogs for the G.L.I stake, I hope you would agree that it will be best to hold it immediately after your meeting. I can of course easily arange to hold the G.L.I championship stake at my place, but it would mean as much botheration to competitors and judges for such a short stake. As a member of the Working and F.T. Committee please do let me have your views.

Now as the G.L.I is fully revived you would no doubt officially inform it proposed dates etc of the P.G.C meeting . Your meeting is at the moment the sole basis of of G.L.I stake. Also please let me ~~xxxx~~ have marked cards of U.P.G.C meetings held between 1947 and 1951

Copy to the President G.L.I New Delhi.
